

IRCTC e-Wallet User Guide for IRCTC Website

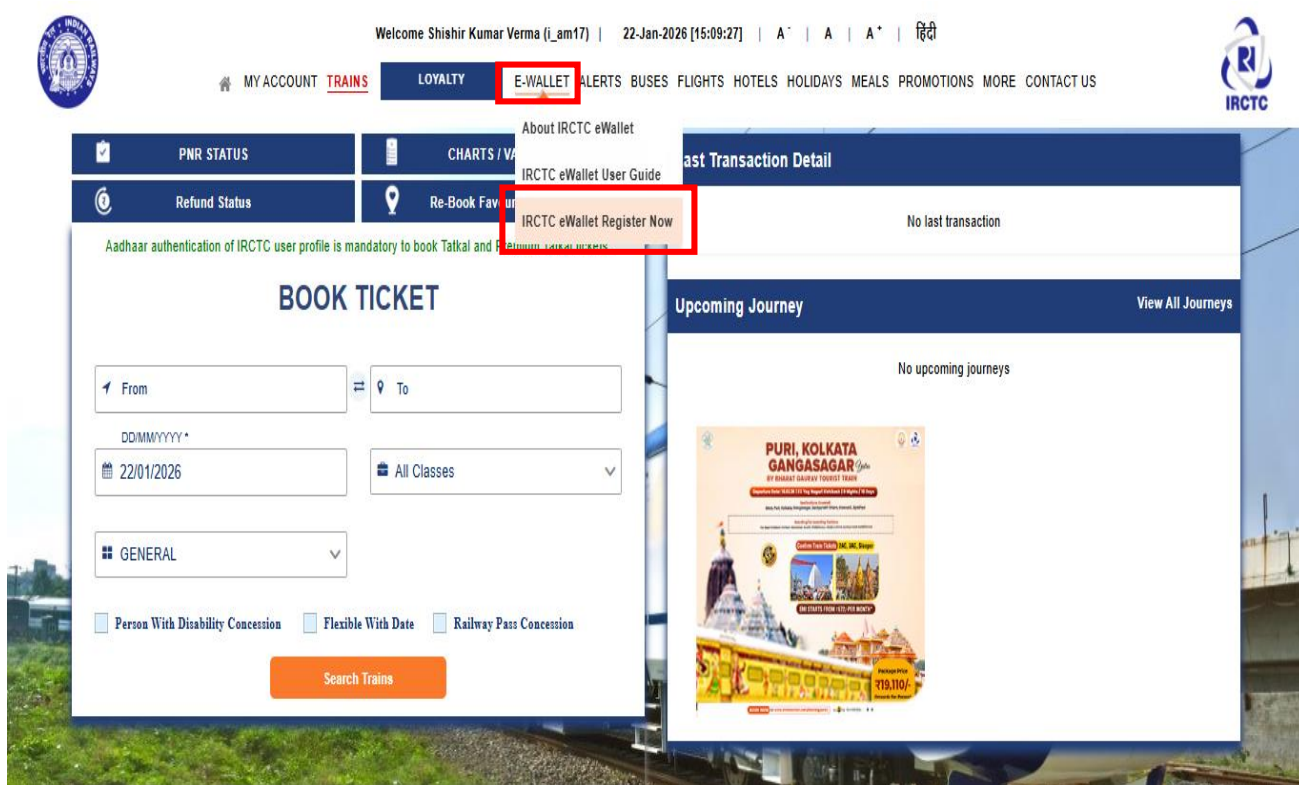

The IRCTC e-Wallet is a closed-loop online payment scheme allowing users to deposit funds in advance with IRCTC. The stored amount can then be used as a convenient payment option on the IRCTC Website when booking tickets. It functions as a closed-loop system (meaning withdrawals are not permitted) and is available as a payment option, alongside others, on the IRCTC Website. Detailed terms and conditions are available at: <https://contents.irctc.co.in/en/Terms%20And%20Conditions.pdf>

A. IRCTC e-Wallet - Registration

Currently this facility is available in IRCTC Website (<https://www.irctc.co.in>) & IRCTC Rail Connect Android Mobile App. Please refer following steps to register on Website:

1. Login on IRCTC website (<https://www.irctc.co.in>).
2. After successful login, choose one of the following two options to initiate registration:
 - **Option A:** Go to “**E-WALLET**” section and click on “**IRCTC eWallet Register Now/Reactivate**” option and proceed with KYC.
 - **Option B:** Go to “**MY ACCOUNT**” section and tap on “**Authenticate User**” option and proceed with KYC.

Once the account authentication/KYC process is completed, the e-Wallet account will be successfully registered for your account.

4. Based on user's selection, user can verify using Aadhaar Card/ Virtual ID (VID) or PAN Number for IRCTC e-Wallet registration.

Authenticate User

☒ Aadhaar Number / VID ☐ PAN Card Number

Please submit Aadhaar Number/VID for authentication. Name, Date of Birth and Gender will be authenticated as per the details available in Aadhaar.

Please update Name, Date of Birth and Gender by clicking "Edit", if these details are not as per Aadhaar.

NOTE: Name, Date of Birth and Gender can only be updated once.

Aadhaar Number / VID:

Name:

Date of Birth:

Gender:

[Verify Details and Receive OTP](#)

OTP:

☐

I confirm that details given above belong to me and hereby state that I have no objection in authenticating myself with Aadhaar based authentication system through Railtel Corporation of India KUA and consent to provide my Aadhaar Number for Aadhaar based know your customer. I give my explicit consent for accessing the mobile number and email address from Aadhaar System. I also authorize Railtel Corporation of India KUA to share the data with IRCTC for the purpose of completing the transaction.

[Submit](#) [Cancel](#)

Authenticate User

☐ Aadhaar Number / VID ☒ PAN Card Number

Please submit PAN for authentication. Name and Date of birth will be authenticated as per the details available in the submitted PAN.

PAN Card Number(In Capital Letter):

Name As Per PAN Card:

Date of Birth:

[Verify Details and Receive OTP](#)

OTP:

[Submit](#) [Cancel](#)

5. Verification requires accurate PAN or Aadhaar details to successfully complete authentication. If Aadhaar is selected, your account details will be verified against the latest e-Aadhaar records through an OTP sent to the mobile number registered with Aadhaar.
6. As soon as KYC is completed, e-wallet account is registered.

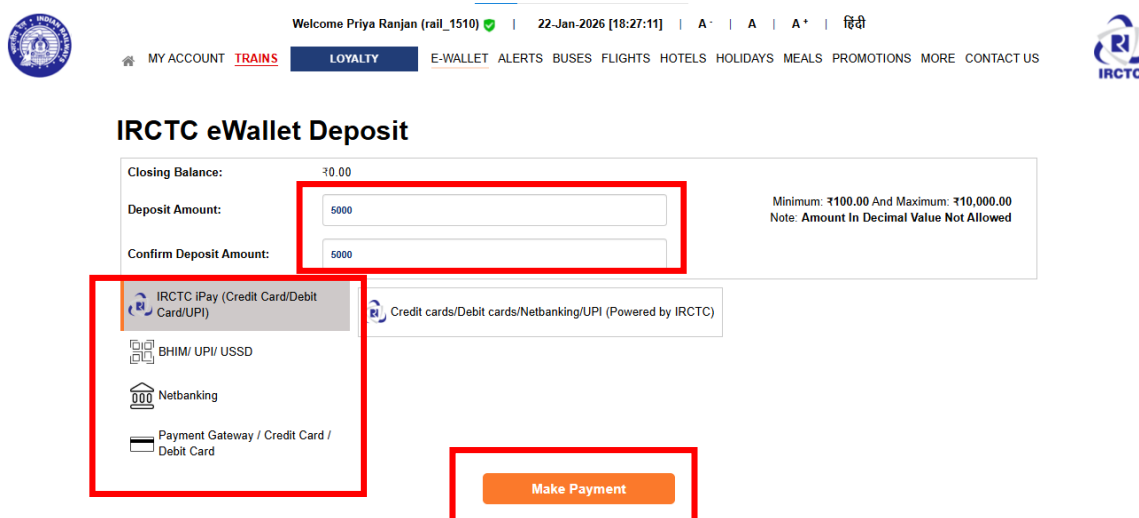

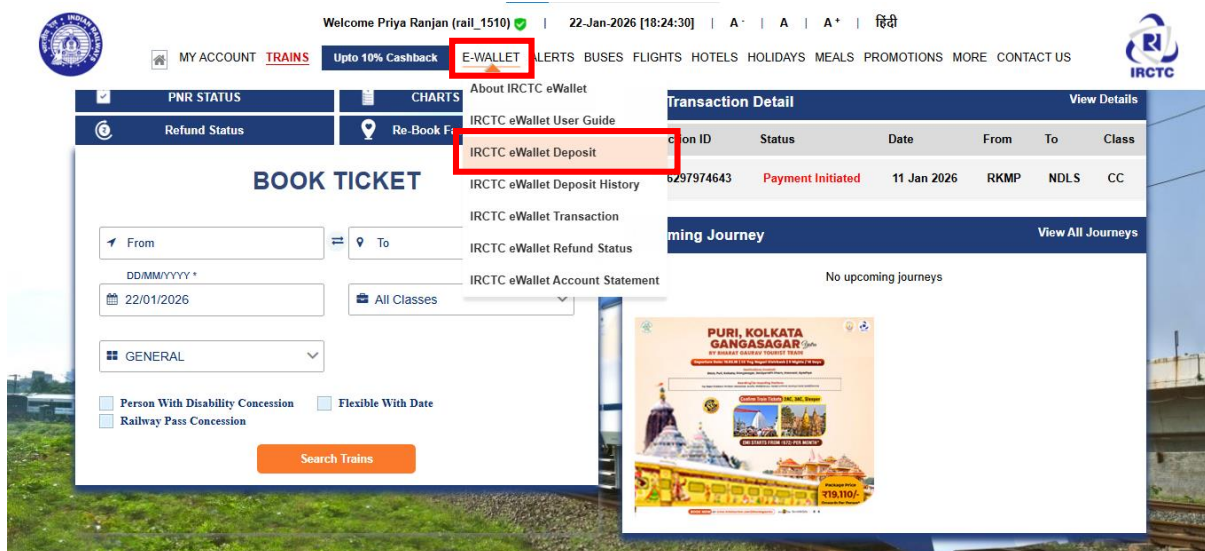

B. IRCTC e-Wallet - Add or Deposit Money

Currently this facility is available in **IRCTC website** (<https://www.irctc.co.in>) & IRCTC Rail Connect **Android Mobile App**. iOS Mobile App users can visit IRCTC website to add money and use the same for all future payments over iOS/Android mobile app as well as IRCTC Website. Please refer following steps to add money from Website for user's registered e-wallet:

1. Login on IRCTC website (<https://www.irctc.co.in>).
2. After successful login, Go to "**E-WALLET**" section and click on "**IRCTC eWallet Deposit**" options under the "IRCTC e-Wallet" menu to initiate the deposit:
3. On the next screen, enter the amount you wish to deposit.

Note: Decimal values are not allowed.

4. Select your preferred payment option from the available list and click the "Make Payment" button.
5. After a successful transaction, a confirmation message will be displayed, and the amount will be deposited into your e-wallet account.

Please ensure following while adding money in e-wallet:

- a) **Deposit Limits:** The minimum and maximum amounts that can be deposited into the e-Wallet are clearly displayed on the "**E-WALLET DEPOSIT**" page.
- b) **Non-Refundable:** The funds deposited are not withdrawable. Since the IRCTC e-Wallet is a closed-loop wallet, the money can only be used for booking train e-tickets on the IRCTC website (<https://www.irctc.co.in>) and the official IRCTC Rail Connect Android & iOS Mobile Apps.
- c) **Transaction Failure:** If the amount is debited from the user's payment source (such as card, bank account, etc.) but is not credited to the IRCTC e-Wallet, the amount will be refunded to the same source of payment after confirmation is received by IRCTC from the concerned bank.

C. IRCTC e-Wallet – Payments/Ticket Booking

Please refer following process to use IRCTC e-Wallet as payment option for Booking Reserved Train Tickets on IRCTC Website:

1. Once the user plans the journey and selects the train, they enter the passenger details and proceed to the **Make Payment** page. Under the **Payment Mode**, the user selects **“Pay through Credit & Debit Cards / Net Banking / Wallets / EMI / Rewards and Others”** options and clicks **‘Continue’** to proceed further.
2. Once the user clicks the **Proceed to Pay** button to book the ticket, the total amount, including transaction charges, is debited from the IRCTC e-Wallet account. The user is then redirected to the booking confirmation / PNR ticket page.

Payment Mode

☒ Pay through Credit & Debit Cards / Net Banking / Wallets / EMI / Rewards and Others

G. IRCTC eWallet – Real-Time Add & Pay Facility During Ticket Booking

1. Real-Time Wallet Top-Up During Booking:

At the time of ticket booking on Indian Railway Catering and Tourism Corporation, if the eWallet balance is insufficient, users can instantly add money to their IRCTC eWallet without leaving the booking flow.

2. Minimum Top-Up Amount:

The minimum amount required to add to the eWallet during booking is ₹100 and maximum is deficit amount capping up to 10000.

3. Insufficient Balance Handling:

- If the ticket fare exceeds the available wallet balance, users can add the required amount in real time.
- A minimum top-up of ₹100 is mandatory, even if the shortfall amount is less than ₹100.

4. Excess Amount Credit:

- After successful ticket payment, any remaining balance will stay in the IRCTC eWallet.
- The remaining amount can be used for future ticket bookings.

5. Multiple Payment Options Available:

During real-time wallet loading, IRCTC provides various payment options for user convenience, including:

- Credit Card (CC)
- Debit Card (DC)
- Net Banking (NB)
- UPI

6. Seamless & Secure Process:

- The Add & Pay facility is integrated within the booking process, so users do not need to restart the transaction.
- All payments are processed through secure payment gateways provided by IRCTC.
